

# EDWAR LEÓN MALDONADO

## FRONT-END DEVELOPER

English B1, Native Spanish

[edwar.leon.m@gmail.com](mailto:edwar.leon.m@gmail.com) · [LinkedIn](#) · [My Portfolio](#) · +57 321 215 9041

I am a programmer with strong soft skills, excelling in communication, teamwork, adaptability to changes, leadership, self-learning, and more. I have a solid experience in HTML5, CSS3, JavaScript, Tailwind, and ReactJS, specializing in front-end web development and creating high-performance interactive interfaces.

## EXPERIENCE

APRIL 11, 2022 – FEBRUARY 03, 2023

**SUPERVISOR**, ATLANTIC QI

Led a team of 40 managers to achieve metrics compliance for IBM Spain and ensure account payroll. Increased management quality from 45% to 87% within the first 2 months and enhanced agent productivity from 45 records to 60.

AUGUST 25, 2015 – DECEMBER 31, 2021

**ADMINISTRATOR**, INNOVACRYL-LD

Strategically planned and directed operations. Analyzed and optimized financial resources and processes. Achieved a 20% increase in sales and a 43% boost in product production in the first year.

## EDUCATION

MAY 2023 - PRESENT

**FULL STACK WEB DEVELOPER**, ACADEMLO

Outstanding student in the fundamentals and React Js modules, creating projects with solid foundations in front-end stacks.
